Can You Help

PARISH COUNCIL CONCERNS/ ACTIONS PARISH COUNCIL INTEND TO TAKE BASED ON THIS INFORMATION

Please add any concerns raised here and email back to snayorknorth@northyorkshire.police.uk (please do not return to sender)

Please find below some useful links

“Are you an admin or founder of a local or social media group? Would you like to have the opportunity for North Yorkshire Police to speak to your group? North Yorkshire Police now have 5 digital Police Community Support Officers (DPCSO) who are available to give crime prevention workshops, local updates, or provide answers to queries about crime in your area.

If you are interested please email Digital.PCSO@northyorkshire.pnn.police.uk and one of the team will contact you to discuss this exciting opportunity.

Please note, these sessions cannot be used to report crime or ASB, which should be done in the usual manner calling 999 (for an emergency), 101 (for a non-emergency) or by <https://www.northyorkshire.police.uk/ro/report/ocr/af/how-to-report-a-crime/>

By providing your contact details to North Yorkshire Police you are consenting to us storing your details for the purpose of arranging crime prevention workshops, updates, and engagement sessions. You can remove your consent at any time by emailing Digital.PCSO@northyorkshire.pnn.police.uk and North Yorkshire Police will cease communicating with you. At this point your contact details will be removed from North Yorkshire Police’s system. Unless consent is removed, your details will be stored for the duration of the scheme, at the conclusion of which they will be deleted. Your details will not be shared outside of North Yorkshire Police.”

NYP TIMES

Local Events

For the information of the parish council and the community the following operations are long standing operations which will result in a Police presence in your area.

OP JOYPAD – This is a seasonal campaign which runs twice a year, namely when the weather brightens up and people spend more time in their back gardens and also when we enter the Autumn period. This operation focuses on checking the security of houses and providing crime prevention advice. On occasions we may undertake this operation on an ad hoc basis if we suddenly see an increase in burglaries.

OP CORDIAL – This is our reactive response to burglaries, if a burglary occurs then the Police will attend the address of the victim and will also contact other addresses within the street. A date will be set in the future to attend the street and provide security advice and property marking.

OP COLLABORATE – This is our “promise” to be in the more isolated areas between certain times and on fixed dates. Although we will specify when we will be there, this is a flexible initiative so if there is a better time/date we will always try to accommodate this. For this to work we really need the community to engage with us and tell us when there is an engagement opportunity that will allow us to meet as many people as possible this could include coffee mornings, quiz nights, guide/scout meetings, school fayres etc. etc.

This is YOUR opportunity to use YOUR neighbourhood policing team how YOU would like.

OP LIBERATE – This is a planned antisocial behaviour operation where the NPT target areas where ASB has been reported. This occurs throughout the weekend in the school summer holidays and at other times such as Bonfire Night and mischief Night. Obviously we can't tell you where exactly we will be, but we will be where we are needed.
